HAMLET

Something is rotten here! Murderer! Oh hell, Claudius killed my father! Claudius killed his own brother because of lust for power! Claudius is married to my own mother now! I am Hamlet, prince of Denmark and I am furious and chocked!

His crimes are so bad I did not want to believe the message my undead father told me. But only my artfulness led me know the I have such a cruel uncle. I pretended to be mad, but I am not. Please believe me! Claudius killed my father! This villain killed my father! Liar! Off with his head!

I do not know what to do anymore. If you do not believe me, I would not know how I could live with this horrible knowledge.

I even would kill myself. To be or not to be? That is the question!

Oh, I am such a poor young man. You have to believe me!
