1. Getting started

- Please form groups of 5 pupils each.
- Study the 4 characters and their relationship presented on the given chart.
- Write a short scene in which all 4 characters take place. At the end of your scene each character should have found a partner – feel free to show creativity and humour!

2. Perform your scene

- Four group members choose one character each. The fifth group member will be the stage director who manages the performance. Your performance should be about 5-10 minutes.
